**CLASSIFICATION:**      Category A – Supervisor, Engineer, Designer or Technician for installation, service and/or process evaluation.  
Category B – Maintenance Serviceman, Mechanic or Electrician.

If during field work there is part damage, Magna Mixer will only be responsible for that repair or replacement and not that of lost time or other incurred costs by Customer. Rates are for services performed, stand-by time, holdover time, and travel time. Unless otherwise prearranged, the Customer is responsible for supplying the necessary tools, lift/hoist, materials, welding equipment and parts not under warranty.

Rates are subject to change. It is recommended to purchase spare parts. Scheduling is based on parts and personnel availability. Prices subject to change. All quotations are valid for 30 days unless otherwise noted. Verify all shipping information.
